To make this book:

1. Download the PDF from leafandsignal.com and print it on both sides of a letter-sized (8.5x11 in.) piece of paper.
2. With this side facing you, fold the paper from right to left.
3. Fold the paper from top to bottom.
4. Fold once more from right to left.
5. Flip the book over to reveal the front cover.
6. Staple in the center and trim the edges to release the pages.
